

Lark Ventures Partners with Double Dragon Trading Ltd. to Back Riverside Hotel's Next Growth Chapter

*Picard, Dominica
March 26th, 2026*

Lark Ventures (lark.ventures) has signed a Memorandum of Understanding with Double Dragon Trading Ltd., the operator of Riverside Hotel in Picard (riversidehoteldominica.com) since 2009, setting the stage for the hotel's next phase of growth.

Under the agreement, Lark Ventures plans to complete an investment in 2026 to help elevate Riverside Hotel to a new level, while also advising Double Dragon Trading Ltd. on IT strategy and investment positioning to support future investor outreach. The MoU also creates a pathway for both parties to expand investment opportunities once the first stage is successfully completed.

For Lark Ventures, this partnership reflects a strong belief in hospitality assets with real upside, especially where smart technology, sustainability, and long-term value creation can work together. Lark Ventures remains open to further investments in this space, particularly in projects that combine tourism, innovation, and sustainable development in Dominica.
